## Function Packages

We understand how stressful organising a large dinner party can be, whether it's an informal corporate lunch or that special family occasion. So why not just relax and let us take care of it.

A dinner party is an event, with everyone sharing and tasting the procession of food that arrives at the table. Our packages have been designed to give everyone the opportunity of trying a variety of flavours in an authentic Italian dining experience.

We are happy assist with any drinks selections

## The Italian Offering
